Kensington Elementary School is currently registering kindergarten students for the 2016-2017 school year. Students entering kindergarten must be five years old on or before September 30, 2016. You may register by stopping at the school office between the hours of 8am and 4 pm. You can also visit the Kensington Elementary School website at [www.kes.sau16.org](http://www.kes.sau16.org) and download the registration forms from the site. You can drop them in the mail or bring them in person to the school's main office. In addition to the forms, you will need to supply a copy of your child's birth certificate, updated immunization records, and a proof of residency (tax bill, utility bill etc.)

We are looking forward to having your child attend Kensington Elementary School next fall. Feel free to call with any questions or concerns you may have. We are here to help create an easy transition for both you and your child.

Information about Kindergarten Orientation will be sent to you this spring. Kindly pass this information along to any family that may have a perspective KES Kindergarten student.

Thank you,

Becky Ruel, Principal  
Kensington Elementary School
