

RUEL

By Reilly, Max, and MarLie in 4K

Ruel Alkuino is a nighttime custodian at Kensington Elementary School. His responsibility is to clean the garbage, floor, doors, windows, and toilets. He is always

there to help! He has been working at K.E.S. for 2 years. Ruel's favorite thing about working here at K.E.S is all of the people, kids and staff. "It's like one big family."

Something cool about him is that he was born in the Philippines, and he went to Lyceum of the Philippines College there. Ruel also works at Phillips Exeter Academy. He used to be a truck driver, too.

Our opinion is that we so lucky to have Ruel as our amazing night time custodian. K.E.S wouldn't be the same sparkly clean school without him!
