

## *All About Mr. Andrews*

Written by: Rylee and Robert from 4th grade

Our awesome head custodian, Matthew Andrews, has been working at Kensington Elementary since August 2014. Mr. Andrews is a graduate of Kensington Elementary School, Exeter Junior High School, Exeter High School and NH Technical College. His favorite part of working at the school is seeing all the happy smiles on the kids' faces.

KES is a school that is kept in good shape because of our custodians like Mr. Andrews. He is responsible for the evening custodians who are Mr. Felch and Mr. Ruel. Mr. Andrews sets up lunch

for us to eat and then he puts away all of the lunch tables and cleans up the gym. He meets with contractors that come to fix various things in the school. Together as a team they have kept everything clean. He is the best custodian! *Thank you* for keeping our school clean Mr. Andrews!

Our opinion is that we should thank the custodians that keep our school up to date. Thank you for giving us the opportunity that let's us learn and play in a clean and safe environment.
