

## Mr. Felch

By : Fourth graders Amanda and Davis

Mr. Felch is one of our amazing evening custodians here at Kensington Elementary School. He has worked at KES about a year and a half. Before he worked in Kensington, he worked at Lincoln Akerman School in Hampton Falls. Mr. Felch graduated from Winnacunnet High School in 1986.

He really enjoys talking with students at KES and he appreciates that we keep our rooms clean. He also enjoys being around a lot of kids, I mean who doesn't? Kids are AWESOME!

In our opinion Mr. Felch is great at his job and we really enjoy having him around.
