

Mrs. Beauchemin

By MarLie and Ben from
fourth grade

Mrs. Beauchemin is an art teacher at Kensington Elementary School. Her major in college was teaching art. She has worked at K.E.S. for about 13 years. Her real name is Ann Winkler Beauchemin. The kids at K.E.S. like to call her Mrs. B. for short.

With dripping paint and glue, Mrs.B. traveled to teach art at 4 different schools. She had taught at preschool for 10 years. She also taught at junior high, kindergarten and daycare. Even though Mrs.B. has worked at other schools, she has worked at K.E.S. the longest.

Her favorite part of working at K.E.S. is the parents, kids, and teachers. We are so lucky to have a kind and amazing artist at our school.

“Every one is an artist. I think that everyone has something to express and a way to express it. You are an artist no matter what.”- Mrs. Beauchemin
