

## Mrs. Carey

By the Fourth Grade students, Ella and MarLie

Mrs. Carey is an occupational therapist at our school, Kensington Elementary School. Mrs. Carey helps students with fine motor skills, and helps build up fine muscle. She has been working here since 2015.

Mrs. Carey got her master's degree in occupational therapy at U.N.H. That is where she got her educational degree. She got her undergraduate degree as a dental hygienist.

Mrs. Carey teaches all grades in K.E.S. She loves being in such a small school with awesome kids and teachers! "I like to work with the students to get them to do all the things that they want and need to be able to do as a student. " - Mrs.Carey
