

Interview #1 About Mrs.Chisholm

By Katie and Domenic fourth grade students

Wendy Chisholm is one of our amazing lunch ladies.

Mrs. Chisholm is the full time Lunch Manager (Lunch Lady) and has been working at Kensington Elementary school for 8 years now. She has never been a lunch manager at any other schools.

Mrs. Chisholm has to make sure that the kids get lunch every day, also she has to cook all the food, buy canned goods, and order all the fruits and vegetables for the salad bar.

Mrs. Chisholm did not go to school for food and cooking, it was for business. But after college she decided to do something that involves food and cooking.

Her favorite part of working at K.E.S. is the kids and getting to give them food each and everyday.

Our opinion

We think that her food is amazing and so flavorful. My favorite is her turkey for the Thanksgiving and Christmas feasts. Our other favorite is her meatballs and sausage. And she is so kind and funny and an awesome chef!!
