

## *Mrs. Kilcoyne*

*By: 4th grade students*

Margaret Kilcoyne is our 4th grade teacher. She has taught 1st, 2nd, and 4th grades at Kensington Elementary School, and has only taught here at K.E.S. She has been working here for 32 years.

Margaret Kilcoyne went to Northern Essex Community College, she got her bachelor of arts degree at Bradford College, and she went to U.N.H. for a master of education degree in elementary education.

Mrs. Kilcoyne likes to make teaching fun. She also wants students to take responsibility for themselves and to want to learn. She likes making kids feel safe

in school. Seeing energetic and happy kids every morning is one of her favorite things. She likes her quote: "WORKING HARD is important but there is something that matters even more: BELIEVING IN YOURSELF" - Harry Potter.

#### OUR OPINION:

Mrs. Kilcoyne is the best teacher that we have had. She is a respectful and kind teacher. We wish she could be our teacher every year. She is a great teacher because she has a sense of humor and is not strict. She has little homework and great field trips 🎒
