Interview with Mrs. Ruel

by Quinn Mark and Amanda

Mrs. Ruel is the principal of Kensington Elementary School. Mrs. Ruel wants everyone to be in a safe place, she wants them to feel like they want to be at school, and to have a good experience here. In our opinion, she is our favorite principal ever!

Mrs. Ruel's Bachelor's Degree is in Russian. She has her Master's Degree in Elementary Education. Her 3rd degree is a Certificate of Advanced Study of Education Administration and Supervision. She earned all three degrees at the University of New Hampshire.

She taught second and third grade at DJ Bakie School in Kingston, NH. She also taught college classes at UNH. She was an assistant principal in Rochester, NH. She was also an assistant principal at Stratham Memorial School in Stratham, NH for 7 years. She is certified as a teacher, principal, and superintendent.

We loved interviewing Mrs. Ruel. She shared a lot of information and was very nice. She values education because she worked hard to get her degrees in education. She helps us with our problems and helps us calm down. Mrs. Ruel does a lot for K.E.S.
