By Jonah, MarLie and Ben from 4K

Mrs.Schwartz is a special education teacher at Kensington Elementary School. She has taught here at K.E.S for 13 amazing years! Her favorite part about K.E.S. is the students.

Mrs.Schwartz has taught kindergarten through seniors. She has taught at Portsmouth Middle School

and High School and also New Franklin Middle School.

Our opinion is that Mrs.Schwartz is the best special education teacher ever! She is caring and kind. We are so glad to have Mrs.Schwartz in our school.
