

## Ms. Kenneway

By: Jack, Domenic, and Dylan

Ms. Kenneway is a teacher's aide here at Kensington Elementary School. She helps teach the first grade. She once substituted for our S.T.E.M teacher. Ms. Kenneway also volunteers at an after school program called Makers Club.

Ms. Kenneway has been working here for 6 years now. Her favorite part about K.E.S. is that the children and adults are kind and friendly to each other.

Ms. Kenneway's style of teaching is that she makes sure that the children she is teaching trust her. She also thinks that it is important that school should be fun.

Ms. Kenneway went to Westfield State College and got a bachelor's degree. She majored in elementary education, and got two minors in reading and psychology.

### In Our Opinion

In our opinion Ms. Kennaway is a nice and helpful staff member. She helps us with learning. We are glad to have her here at K.E.S. as a staff member.
